

Roundhouse Foundation 2021 Fall Open Call Grant Recipients

Roundhouse Foundation would like to share the programs and projects we have partnered with through our Fall Open Call for Proposals cycle. We are grateful to our applicants and partners and appreciate the opportunity to share in this work.

Roundhouse Foundation focuses in and across four areas that are fundamental to thriving rural communities – **Arts & Culture, Environmental Stewardship, Social Services and Education**. We recognize the interconnections of these focus areas and value opportunities that work at their intersections.

Should you have any questions about our grant programs, funding priorities or any of the projects below, please reach out to us at media@roundhousefoundation.org.

Organization Name	Project Name	Project Summary	2021 Funding Amount
Angel Flight West	Health Takes Flight	This grant will support Angel Flight West's program activities in Oregon providing free air transportation to health care for residents whose geographic challenges prevent them from receiving the treatment they need.	10,000.00
Arts Council of Pendleton	General Support for Arts Exhibition and Education in Rural Northeastern Oregon	This grant is for support for the Arts Council of Pendleton, operator of the Pendleton Center for the Arts and provider of arts experiences in other locations across rural Eastern Oregon, as well as support for the Center's pottery program.	25,500.00
Baker Technical Institute	"Big Machines & Big Opportunities" - Building Economic Growth Through Workforce Development	This grant will support BTI's expansion of career and technical courses offered to Tribes in Oregon. Courses offered will include heavy equipment operation and truck driving. There is a demonstrated large demand for both of these trades, and both lead to high-wage jobs. BTI has a strong relationships with the tribes and has successfully conducted these courses in the past. BTI will use mobile training platforms to deliver the training at reservations sites.	25,000.00
BEAT Children's Theatre	BEAT Children's Theatre Programs	Since 2006 BEAT Children's Theatre has provided theatrical education and performance opportunities to the children of Central Oregon (ages 4 to 19). Recently, BEAT has expanded the opportunities to include in-school Theatre Arts education to students of Title 1 schools. This program involves in-school/classroom instruction, direction, rehearsals and performances.	5,000.00
BendFilm, Inc	The IndieWomen Screening Series (IWSS)	BendFilm works to correct the continuing gender gap in the mainstream filmmaking industry by celebrating the underappreciated work by women filmmakers who push the art form forward. The 2022 IndieWomen Screening Series (IWSS) is a quarterly program wherein BendFilm invites its Independent Women for Independent Film (IndieWomen) membership to watch a film, discuss its themes and its place in the lexicon of film. In order to successfully host the IWSS in 2022, BendFilm will require an upgrade of its Tin Pan Theater's projection system.	20,000.00
Blue Mountain Wildlife	Raptor Rehabilitation Program	BMW is the primary wildlife rehabilitation center serving eastern Oregon and a large part of eastern and central Washington. Admissions were slightly ahead of 2020 until the extreme heat wave in June. The flood gates opened. More than	5,000.00

		150 hawks have been admitted since then. Admissions to date in 2021 have surpassed total admissions in 2020. This grant will support the raptor rehabilitation program, as BMW anticipates there will continue to be a significant need for these services in 2022.	
Boys & Girls Clubs of Bend	Boys & Girls Club of Bend: Expanding Wrap-Around Services	The grant will support the Boys & Girls Club of Bend's growing efforts to support food insecurity and to provide wrap-around services to the families and youth we serve. We've recently re-engaged with The Giving Plate to provide weekday take home meal kits for 55 youth per week. The kits will include a variety of easy-to-prepare meals and snacks meant to ensure these children have weekday meals. Many of these youth already receiving weekend meal kits delivered to their school through a partnership between The Giving Plate and Family Action Network.	5,000.00
Brookings-Harbor Community Helpers, Inc.	Community Resource and Food Bank Support	Our organization operates as a food pantry and a help center. This grant will purchase food for family food boxes, our youth snack pack program, our daily food option for individuals without refrigeration or in temporary living situations, and our Senior fresh fruits and veggie project.	10,000.00
Building Healthy Families	Healthy Habits for Brighter Futures	The Healthy Habits initiative provides a number of opportunities for Wallowa County Youth to build life-changing exercise and nutrition habits, access essential resources and increase positive connection within the greater community. Major projects of the initiative include the development of a gym/recreation space for the Wallowa County Alternative Education Program and the expansion of a Hygiene Bank and weekend food program.	20,000.00
CASA of Central Oregon	Court Appointed Special Advocates for children in foster care	CASA of Central Oregon trains and supports volunteers to advocate for children in foster care. This grant will support recruiting volunteers, providing 40 hours of nationally accredited training, and professional support of five volunteer Court Appointed Special Advocates. These CASA volunteers will advocate for at least twelve children for an average of two years to start. CASA advocacy will mean that children fare better during their time in foster care.	10,000.00
Cascade Pacific Resource Conservation & Development (Cascade Pacific RC&D)	McKenzie Valley Disaster Recovery	Cascade Pacific RC&D works with people to enhance their communities through social, economic, educational and environmental improvements. This grant will support disaster recovery efforts in the McKenzie Valley.	2,500.00
Cascade Relief Team	Support for Residents Affected by Bootleg Fire	This grant will support Cascade Relief Team's efforts to help families impacted by the 2021 Bootleg Fire to access tools and resources needed to heat their spaces and prepare meals.	5,000.00
Central Oregon Community College	Preparing Students for Jobs in Fire-Adapted Forest Management through Paid Research Experiences	This project prepares students in COCC's Forestry program for jobs through paid research experiences. Students will learn to assess the impacts of fire-adapted forest restoration projects. Research will include field trips during the academic year and intensive projects in the summer. The research will provide important data for land managers and will prepare students for jobs in forestry. By paying for their research time, this project will broaden participation of low-income students who are often unable to participate in unpaid research.	20,000.00
Chintimini Wildlife Center	Accessibility & Inclusivity Improvement Project	As the Chintimini Wildlife Center's service region has grown, there is a significant need to expand our education facilities to accommodate this growth. More urgently, as we continue to prioritize accessibility, inclusivity, and equitable access to our wildlife center, we will create, produce, and install bilingual	4,000.00

		signage including maps, trail markers, and interpretive displays.	
Circle of Friends	Supporting Youth Mentorship	This grant will support the expansion of Circle of Friends work to provide resources that promote equal access and opportunity for Sisters' underserved children and youth to develop life skills, social skills, academic success, and individual talents through mentorship.	15,000.00
City of John Day / Grant County Digital	Grant County CyberMill Phase 1	The CyberMill is an opportunity for remote workers, solo-entrepreneurs, those that want to work on their own, and those that desire occasional group interaction. It is intended to encourage Adult Distance Learning, innovation and entrepreneurship, by providing the technology, workspace and environment. The space will provide access to education, mentorship, networking, capital, culture, and community. The CyberMill will add a new dimension to Grant County's culture, enabling a culture of collaboration, possibilities, and sustainable growth.	30,000.00
Clatsop Community Action	Mobile Food Resources for Underserved Rural Populations in Clatsop County	To ensure we reach all children and families struggling with poverty and hunger, Clatsop Community Action's Regional Food Bank will provide a program of life-saving food resources via our mobile produce pantry and supermarket recovery operations. Many clients are unable to come visit the food bank in person due to health, transportation, and/or mobility challenges. Our mobile produce pantry program ensures these vulnerable populations are provided food resources; this is most impactful for children living in more isolated rural communities.	75,000.00
Coast Fork Willamette Watershed Council	Creating Environmental Stewards in Rural Southern Lane County	This project employs local rural youth (aged 16-19) from an economically depressed area providing career training and networking opportunities, while restoring habitat on public and private lands. Efforts on private lands focus on properties outside the urban growth boundaries of Cottage Grove and Creswell for residents in the Drinking Water Source Protection Areas. Many of these residents fall below the poverty line and cannot afford to undertake habitat restoration activities on their own due to a lack of financial and technical resources.	10,000.00
Crossroads Creative and Performing Art Center, Inc	ArtSpeak helping in a Covid World	Crossroads Carnegie Art Center's goal in 2021-22 is to serve as many at-risk populations as we can to improve the mental, spiritual, and social needs of our community and to bring critical resources to these fragile populations including at-risk youth, those recovering from addiction and isolated seniors.	10,000.00
Crow's Shadow Institute of the Arts	Artist in Residence & Traditional Arts Capacity	This grant will support Crow's Shadow Institute for the Arts' out-of-state Artists-in-Residence, as well as the ongoing Traditional Arts programming.	26,625.00
Fishtrap	Support for Fishtrap's Annual Programming	This grant will support Fishtrap's year-round programming that includes the Summer Fishtrap Gathering of Writers, The NEA Big Read, Winter Fishtrap, reading events, and school residencies that benefit 2,000 readers and writers from across the West and in our rural local community.	30,000.00
Four Rivers Welcome Center	Citizenship Preparation and Support Funds	The Four Rivers Welcome Center currently provides (2) 10-week sessions per year of Citizenship Preparation Classes to the Ontario community. These classes are offered free and are taught by peers of the refugee/immigrant community who have completed their citizenship process. This grant will support current services and increase the number of classes we will offer each year to 3 sessions per year as demand exceeds current supply.	10,000.00
Friends of Ford's Pond	Ford's Pond Community Park - Oak Savanna Restoration (Phase 2)	This 2-year project will restore 25 acres of oak savanna habitat at Ford's Pond Community Park, in Sutherlin, through a partnership between the Friends of Ford's Pond, Sutherlin	12,500.00

		High School FFA Chapter students, and the U.S. Fish and Wildlife Service. The Friends volunteers will facilitate the preparation of the site and provide training to the students, who will plant the seedlings grown from acorns they collected onsite in September 2021. New trails and interpretive panels will be installed.	
Friends of the Mentor Program	Lake County Youth Mentor Program Support	The Friends of the Mentor Program (FOMP) non-profit was established in 2014 to provide funding opportunities to the Lake County Youth Mentor Program (LCYMP) which was established in 2010. LCYMP connects at-risk youth, grades K-12, with adult mentors through a variety of mentoring relationships in Lake County.	20,000.00
Greater Hells Canyon Council	Camas to Condors - Seasonal Round Trail	The Seasonal Round is a living lab for identifying, tracking, and adapting to the impacts of a changing climate, as Native people and ecosystems have been dynamically adapting for time immemorial. Together, we will restore, protect, and monitor ancient gathering sites along a travel artery spanning the elevational gradient. The Tribal community will tend the land and their foods while monitoring climate impacts according to both cultural and ecological metrics. STEM learning will prepare Indigenous land managers for the climate-impacted future.	25,000.00
Harney County Senior and Community Services Center	Covering Cut and Wrap Costs of Donated 4H meat	Our community is always very generous during our community 4H livestock auction during fair. When our youth sell their animals, the community will often purchase them and donate the animal to our organization for us to serve our seniors both on site and home delivered meals for the rest of the year. We love the support to us and to the youth of our community. This grant will cover the cost of cut and wrap services for the donated meat.	5,000.00
Harney Hospital Foundation	Matching Funds from Women's Circle 100	Harney Hospital Foundation held their 3rd annual Women's Circle in April, which invited attendees along with their gift of \$100 to an evening of fellowship. The members are presented with 3 items, from 3 departments that are in need. The attendees then vote on how they would like their gift used. This year the Imaging Department was selected and presented a trophon automated ultrasound probe disinfectant. This unit allows for a more efficient and thorough cleaning.	5,000.00
High Desert Partnership	Cultivating Collaboration in Support of a Sustainable Harney County	This grant will support the High Desert Partnership seeks support of our work as the convener of the diverse spectrum of people representing public, private, tribal, and non-government entities in Harney County, building support and strategic action around goals that build the community's resilience and possibilities. HDP's collaborative working groups were formed to reach consensus on some of our most challenging issues: restoring forests and wetlands, mitigating wildfire, creating opportunities for youth, and growing our local economy.	10,000.00
Hood River Senior Citizens Inc / Hood River Valley Adult Center	HRVAC Meals on Wheels Support	On March 14, 2020 the Hood River Valley Adult Center was forced to close the senior center, other than the Meals on Wheels program. Meals on Wheels delivers meals to people who struggle to get out of their home, and typically provides one hot meal per day.	25,000.00
IN OUR BACKYARD	Teens Against Trafficking: Early Prevention for Grades K-5 curriculum	The average age a child is first trafficked is 12. In order to protect Oregon's youth from human trafficking. In Our Backyard (IOB) is developing a curriculum that elementary age students can understand. Through this curriculum, IOB is working to prevent trafficking in children altogether. The Teens Against Trafficking: Early Prevention for Grades K-5 curriculum is a 30-minute presentation for students grades K-	2,500.00

		5 and educates children on what trafficking is, how to recognize it, and how to report it.	
Jefferson County 509j School District FAN	509J District FAN Clothing Closet & Client Funds	This grant will help the 509J School District supply the centrally located "clothing closet." There, our local FAN advocates can collect and quickly locate needed items for their clients, such as winter coats, shoes/boots, gloves, and more. FAN recently expanded services in Jefferson County, and now has three advocates working in schools throughout the 509J School District to connect those experiencing poverty to basic-needs services, including clothing, food, hygiene, rent and utilities assistance, and more.	10,000.00
Jefferson County Youth Organization	Transportation for Kids Club kids	The Jefferson County Youth Organization (Kids Club) focuses on positive youth development in character and citizenship, healthy lifestyles, and academic success. We strive to incorporate safe, supervised opportunities for kids to stay active. Healthy, physically active kids are more likely to be academically motivated, alert, and successful. This grant will support the replacement of two Kids Club vans. The vans are a critical part of our ability to transport the kids to programs, camps, and activities. For many of our kids, this is their only opportunity to participate in these activities.	30,000.00
Josephy Center for Arts and Culture	Arts & Culture Support for Wallowa County	The Josephy Center for Arts and Culture is a hub of arts and cultural activity, a place of celebration and learning, and home to a treasure trove of Nez Perce and western history. This grant will support arts and culture in Wallowa County.	10,000.00
Klamath Lake Land Trust	Klamath Lake Land Trust Executive Director	This grant will support KLLT to hire a full time Executive Director (ED), who will meet the growing demand for our work. As one of the only entities in the basin that acquires property and manages conservation easements in Klamath and Lake Counties, we play a critical role in our community and with The Klamath Tribes.	20,000.00
La Clinica del Valle Family Health Care Center Inc	Happy Smiles	La Clinica's Happy Smiles program addresses the primary barriers to affordable dental care by providing comprehensive dental health education and interventions in the school and community setting. Happy Smiles is designed to prevent cavities and improve dental health in the short and long-term. This program serves over 15,000 Jackson County children a year at 27 public schools and through community partnerships. Services are provided free of charge for uninsured children who live in low-income households.	10,000.00
Long Tom Watershed Council	Empowering Native Youth & Families through Cultural & Traditional Knowledge Education	This grant will support LTWC's Traditional Ecological Inquiry Program (TEIP), a youth education program that provides pathways for Native youth (6th grade - college age) and their families to engage in an exploration of Traditional Ways of Knowing and the reciprocal relationship between humans and the land in the southern Willamette Valley. The place-based curriculum is entirely Native-led. Stipends are provided to support youth and family participation, and we're able to work with schools so youth may earn school credit.	25,000.00
Maryhill Museum of Art	The Exquisite Gorge Project II: Fiber Arts	In 2022, Maryhill Museum of Art will launch a second phase of its successful 2019 Exquisite Gorge project, serving low income, underserved and diverse communities, including federally recognized tribes, along the Columbia River. EG2 will connect national and international fiber artists who will create sculptural interpretations of the Columbia River and engage Washington and Oregon residents, often rural and low-income, through outreach and participatory programming.	25,000.00

Mercy Foundation	Healthy Kids Outreach Program (HKOP)	This grant will support the health and dental needs of youth through the Healthy Kids Outreach Program (HKOP). Services increase health equity by providing youth with access to preventative oral health and education; Health Resource nurses to teach health and hygiene education; nutrition education, physical activity; life skills and violence prevention classes; support for youth with Type 1 diabetes; and connection to medical, dental and vision care. Connecting health and education increases opportunities for children to learn and thrive.	20,000.00
Mosaic Medical	Expanding Colorectal Cancer Screening through Culturally and Linguistically Appropriate Outreach	This grant will support the equitable expansion of the Colorectal Cancer (CRC) education and screening program to at least 3,205 existing rural, low- income, uninsured, underinsured individuals, 45-49 years old with an additional focus on our Spanish speaking community. A total of 487 (15%) of individuals currently identify as Spanish speaking. We hope to identify why a lower number of Hispanic or Latino/a/x patients are engaging CRC screening and find new and creative ways to encourage participation.	20,000.00
MountainStar Family Relief Nursery	Rural Outreach Program	This grant will support our Outreach Program and provide crisis intervention, therapeutic services, support, and safety infrastructure to vulnerable children and families in rural Central Oregon.	20,000.00
National Inventors Hall of Fame, Inc.	Camp Invention STEM, Creativity, Innovation & Entrepreneurship Programs in Rural Oregon Communities	Camp Invention is a week-long summer enrichment program for children in grades K-6 with curricula focused on developing creativity, inventive thinking and problem-solving through hands-on science, technology, engineering and mathematics (STEM) content. As children are immersed in Camp Invention's inquiry-based challenges, they collaborate and develop 21st Century competency skills. This experience prepares the next generation of the workforce for success from an early age as they develop skills to positively contribute to their communities.	20,000.00
Native Arts and Cultures Foundation, Inc.	CNAC Activation: Native American Artists from Rural Oregon	This grant will support a community engagement event hosted by Native Arts & Cultures Foundation at our new Center for Native Arts & Cultures focused on Native American artists from rural Oregon. We propose to work with Natalie Ball (Black, Modoc and Klamath Tribes), our current Oregon Native Artist Fellow, to develop an exhibition of her work focused on climate change, as it applies to our environmental justice work. We aim to include additional rural Oregon Native artists to activate the space, share their stories, and vend their artistic wares.	30,000.00
NeighborImpact	Mobile Food Pantry	This grant will support NeighborImpact's mobile food pantry. The mobile food pantry builds our food program's capacity to distribute fresh, healthy food in underserved areas throughout Central Oregon. The sole effort of its kind in the region, the program improves food-insecure residents' access to fresh food and pantry staple items. We expect to serve 2,400 persons monthly. The project targets rural, underserved areas and medical communities where food pantries do not meet residents' dietary needs. It also stands ready for emergency response.	30,000.00

Neighbors For Kids	Weathering The Storm	Neighbors For Kids serves the children and youth of Lincoln County with quality after-school and summer programs. Since 1999, NFK has provided a safe place for students to come after school, where they can be supervised by caring adults in a fun, learning environment.	25,000.00
Next Door Inc	Promoting Prosperity Program (PPP) Curriculum Development	This grant will enable The Next Door, Inc. (TNDI) to develop a curriculum to train other community-based organizations on how to provide support services to Spanish speaking small businesses and entrepreneurs. It will utilize the skills we've developed over ten years in our Promoviendo Prosperidad/Promoting Prosperity Program (PPP), and our experience in creating and providing trainings.	10,000.00
O'Brien Memorial Library	Library Services Upper McKenzie Valley	This grant will support O'Brien Memorial Library's services. The library provides educational, economic, and civic health for the 600+ residents of our community. This grant will support expansion of our digital collection resulting in increased access to resources. Additionally, this grant will support expenses of the Upper McKenzie Community Center, where the O'Brien is temporarily housed following the loss of the library facility in 2019.	7,500.00
Olalla Center	Walden Project Mentoring in Nature	Walden Project offers mental health therapy through nature-based activities to children, 4-17 years, with histories of trauma and abuse. Nature is an extraordinary setting in which to gain insight into the past, learn through reflection and experience, and find hope and motivation for the future. We propose to add the support of guided mentoring to our model. Participants will be mentored individually and in groups to combat negative thinking, strengthen relationships, build resiliency, and gain confidence physically and emotionally.	20,000.00
Ophelia's Place	Rural School Partnerships to Promote Positive Youth Development	This grant will support engagement in Rural School Partnerships to Promote Positive Youth Development in Lane, Linn, and Benton Counties. Isolated rural communities have historically limited access to resources that are readily available to their urban counterparts. Ophelia's Place will make important connections with school personnel in these underserved rural locations and ensure students benefit from our behavioral health support mechanisms.	10,000.00
Oregon Adaptive Sports	Oregon Adaptive Sports Access for All Project	The Oregon Adaptive Sports Access for All project represents a significant investment in key resources to expand the organization's capacity to facilitate winter and summer adaptive sports experiences for individuals with disabilities. These resources directly support the OAS Pillars of Access which address significant barriers to the outdoors faced by individuals with disabilities including access to state of the art adaptive sports equipment, professional program facilitation, and low or no cost program opportunities.	20,000.00
Oregon East Symphony	"Oregon East Symphony 2021-2022 Concert Season"	This grant will support Oregon East Symphony 's 36th annual concert season which will encompass five professional quality concerts presented to a rural audience with concert programs that include symphonic works, holiday music, chamber music and chorale music.	10,000.00
Oregon FFA Foundation	Oregon FFA Community Leadership Grants	With Washington DC leadership conference cancelled for 2020 and 2021, we rebounded and created a new pathway for our Oregon FFA Members. We created a compatible leadership experience where students could learn, figure out a local need not being met, apply for funds and then go do good work. Mid-term reports say awards are going to really good use. We want	10,000.00

		to scale this up to offer bigger incentives and more support for them to engage in community partnerships and local problem-solving.	
Oregon Lions Sight & Hearing Foundation	Can you SEE & HEAR Rural Oregon	This grant will expand OLSHF's vision and hearing services to underserved adults & children throughout rural Oregon, to include: the 20/20 Vision School Vision Screening Program, the Lions Eyeglass Assistance Program (LEAP), the ROAR Hearing Assistance Program and the Patient Care Fund and Mission Cataract. All of these programs help underserved Oregonians in a respectful and dignified manner. Students and adults need to be able to see and hear to their potential to reach their personal potential, strengthening and sustaining their communities.	17,700.00
Oregon Tech Foundation	Oregon Tech Respiratory Care Program Enhancing Training and Education Proposal	The COVID-19 pandemic has brought to the forefront many critical healthcare situations, including the vital need for qualified Respiratory Care Therapists and relevant respiratory care equipment. This grant will support the purchase of respiratory care equipment.	50,000.00
Phoenix School of Roseburg	Youth Solutions - Phoenix Youth Corps	This grant will support the expansion of Phoenix School's Oregon Youth Corps school year and summer programming to provide 160 age 14 - 24 Douglas County youth Natural Resource Career Pathways learning and employment opportunities. Specifically, this grant will outfit Youth Crews with the tools and supplies needed to "learn and earn" while restoring campgrounds, trails, and watersheds from the effects of recent catastrophic wildfires as well as helping prevent future wildland-urban-interface fires.	20,000.00
PLAYA	PLAYA Guided Residencies Pilot Program	PLAYA nurtures innovative thinking in the arts and sciences through its residency program on the edge of the Great Basin, to promote dialogue and positive change in the environment and the world. This grant will support a new program, Guided Residencies	2,500.00
Pueblo Unido PDX	Collective of Indigenous Interpreters of Oregon (CIIO)	This grant will support the creation and implementation of a training on medical ethics and terminology for Indigenous language interpreters, who will confer recognition as a "qualified interpreter" by the Oregon Health Authority. This recognition will permit Indigenous interpretation in medical settings and enable patients to understand and be understood in conversations with healthcare providers. This grant also entails performing outreach to rural communities and covering interpretation costs for Indigenous language speakers seeking legal and social services.	10,000.00
Ross Ragland Theater	Ross Ragland Theater Youth Arts Education and Outreach Project	This grant will aid in development, implementation, and expansion of educational outreach programs provided by The Ross Ragland Theater (RRT). RRT boasts five primary youth programs and three additional outreach programs that run concurrently, year-round. As research shows, youth exposure to the arts leads to positive outcomes. With the largest geographical area served in the state, funds are needed to continue offering top-quality programming.	15,000.00
SOUL	SOUL Housing Feasibility Study	This grant will support a feasibility study for SOUL's goal of providing affordable housing in Sisters for individuals with intellectual and developmental disabilities.	20,000.00

Special Olympics Oregon	Special Olympics Oregon: Rebuilding Impact in Rural Oregon After COVID	Special Olympics Oregon (SOOR) was challenged by COVID-19 as we transitioned in-person to virtual sports. In 2022 we are returning to in-person training and competitions. This grant will help SOOR re-engage athletes, families, and schools in rural Oregon for in-person training and events. SOOR plans to hire trained and certified coaches, restore in-person infrastructure (facilities, volunteers, vendors), and sustain online programming for athletes who cannot participate in person.	25,000.00
Talent Maker City	Rise Up + Rebuild 2.0	Following the devastating Alameda Fire, TMC's Rise Up + Rebuild programming has played a key part in our rural community's path to recovery. Students have built bed frames, created public art celebrating our resilience, and are currently converting two school buses into transitional housing for impacted families all while gaining workforce-ready skills and experience. TMC will extend this programming with added essential and meaningful professional development for staff to continue on our path of healing through hands-on learning.	46,000.00
Thadds Place	Thadds Place Grief Center Support	Thadd's Place is a Grief Center in John Day that provides grief support and companioning so that nobody will grieve alone. Thadds Place provides group and individual counseling.	5,000.00
The 1017 Project	1017 Project - Beef for food banks	The 1017 Project provides a sustainable supply of high-quality beef to food banks, shelters, churches, and schools. The 1017 Project is a "barrier-free" program that gets protein into the hands of food-insecure people, regardless of whether or not they qualify for other assistance. In response to COVID-19, The 1017 Project immediately increased beef donations to food banks and community kitchens by 200%.	7,500.00
Think Wild	Think Wild Education Program	Think Wild, a non-profit wildlife hospital and conservation in Bend, serves as an educational resource to teach and inspire Central and Eastern Oregon communities to appreciate and live respectfully with wildlife. Think Wild will use the grant to both continue and expand our educational programs, which include working with schools and organizations, conducting outreach to the community, and providing events, research, professional development, and internship opportunities.	20,000.00
Tillamook County Community Action Resource Enterprises (CARE) Inc.	COVID-19 Response in Tillamook County	As the primary, anti-poverty social service agency in Tillamook county, CARE provides services that provide for the basic needs for residents. CARE has also been the primary distributor of funds through federal and state grants in response to COVID-19. To continue providing services to keep all individuals housed and remaining healthy, CARE has set up a COVID-19 relief fund that works to identify needs that exist outside of the normal scope of federal/state programs that would otherwise lead to housing instability or homelessness.	20,000.00
Tillamook Estuaries Partnership	Drone System for STEM Education and Environmental Stewardship	This grant will support Tillamook Estuaries Partnership (TEP)'s acquisition of hardware and components associated with an aerial drone system for use in education and environmental stewardship activities throughout Tillamook County.	10,100.00
Trout Unlimited	Salmon SuperHwy Project Dairylands Landowner Engagement and Project Development	The Salmon SuperHwy (SSH) is a Trout Unlimited (TU)-led collaborative partnership working to restore access to 180 miles of blocked habitat throughout six major salmon and steelhead rivers on Oregon's North Coast. The SSH reconnects fish habitat by replacing in-stream barriers. This grant will provide staff support for TU to engage with key private and agricultural landowners and bring resources to implement	25,000.00

		conservation practices that meet landowner needs while advancing the goals of the SSH partnership.	
United Community Action Network	Douglas County Mobile Pantry	Feeding Umpqua, a United Community Action Network program, has operated a mobile pantry (the Outpost) for three years. The Outpost provides emergency food to communities that are remote and lack pantries in Douglas County, including Days Creek, Camas Valley, Elkton and Diamond Lake. We just began serving Tiller, and plan to expand to serve Curtin in the upcoming year.	20,000.00
Upper Deschutes Watershed Council	Upstream Stewardship Program	We are proposing to coordinate a new watershed stewards program for 200 students and 15-20 community members in Central Oregon. Our watershed stewards program, Upstream Stewardship, will include a series of watershed stewardship activities for students and adults. New programming will consist of a six-part watershed education series for adults that will be focused on the Whychus Creek watershed. Additionally, the Upstream Stewardship program will engage 200 students in hands-on watershed education and stewardship along Whychus Creek.	20,300.00
Wallowa Band Nez Perce Trail Interpretive Center, Inc.	Tribal Youth Educational Programming Development	This grant will build upon the success of the 2021 pilot outdoor education program, the Snake River School tribal youth float trip and establish and renew partnerships with reservation-based youth programming.	20,000.00
Wallowa Resources	Shared Learning Across Northeast Oregon	This grant will support WR's capacity to lead local shared learning experiences for high school youth from five counties in NE Oregon, carry out important restoration monitoring efforts with multiple partners across public and private lands in Northeast Oregon, and begin the development of a regional online map that could be used to share successful projects and partnerships relating to the Stewardship Economy.	20,000.00
Wildlife Images Rehabilitation and Education Center	Wildlife Images Rehabilitation & Education Center (WIREC) Camp EEK! Education Program Expansion	WIREC is an educational resource serving all of Southern Oregon. Camp EEK! (Environmental, Education and Kids!) is traditionally a 10-week summer camp for youth ages 6-11. It is a safe and engaging place for kids to receive hands-on learning experiences centered around wildlife, nature and conservation. This grant will expand our educational opportunity and offer more classes to include winter holidays and spring break.	20,000.00
Willamette Falls Trust	Supporting Convening and Relationship-Building with Tribal Partners	Preparation and collaboration are underway to transform the former industrial site near Willamette Falls into a public riverwalk. This grant will support the Willamette Falls Trust's continued efforts to convene Tribal partners and support relationship development.	25,000.00
