

Roundhouse Foundation 2022 Spring Open Call Grant Recipients

The Roundhouse Foundation would like to share the programs and projects we have partnered with through our Spring Open Call for Proposals cycle. We are grateful to our applicants and partners and appreciate the opportunity to share in this work.

The Roundhouse Foundation focuses in and across four areas that are fundamental to thriving rural communities – **Arts & Culture, Environmental Stewardship, Social Services and Education**. We recognize the interconnections of these focus areas and value opportunities that work at their intersections.

Some details of the grants listed are subject to change. This list is current as of May 2022. Should you have any questions about our grant programs, funding priorities or any of the projects below, please reach out to us at grants@roundhousefoundation.org.

Organization Name	Project Name	Project Summary	County or Region	2022 Amount Awarded
Age Friendly Sisters Country	STARS - operational and expansion funds for free non emergency medical transportation	STARS is an Age Friendly Sisters Country (AFSC) Action Team that provides free transportation to non-emergency medical appointments for Sisters Country residents unable to drive themselves. STARS needs funds to continue this vital and fully volunteer service. AFSC/STARS seeks Roundhouse Foundation assistance to meet support operations, volunteer incentives, service expansion and capacity building.	Deschutes	10,000.00
American Farmland Trust	Advancing Climate Resilience with Women Ranchers in Northeast Oregon	The proposed project will bring American Farmland Trust's (AFT) innovative Women for the Land (WFL) Learning Circle programming to women ranchers and ranchland owners in Northeast Oregon to advance climate change resilience. Empowering women in ranching with useful tools and tactics to enhance soil health and improve resilience will not only make their ranches less vulnerable but will also provide models for adoption of agricultural conservation practices that could be utilized by women in agriculture and ranching across the state.	Northeast Oregon	20,000.00
BendFilm, Inc	The BendFilm Festival's Indigenous & Women Filmmakers (IWF) Initiative	The Indigenous and Women Filmmakers Initiative (IWF) is a key part of the 19th Annual BendFilm Festival October 6-23, 2022 in-person and virtually. The IWF provides a venue for indigenous and female filmmakers to reach a large audience in both Jefferson and Deschutes counties. The IWF is intended to increase positive representation of indigenous and female life experiences by celebrating films made from the perspectives traditionally underrepresented while educating allies about authentic life experiences of women and indigenous populations.	Central Oregon	20,000.00

Better Together	The Restorative Justice & Equity Group Community Cadre Project	The Restorative Justice and Equity Group (RJE) is seeking funding for our Community Cadre Project comprised of 20 dedicated volunteers, vetted by the local school district and trained in Restorative Practices. These individuals support school DEI clubs and teachers in implementing Restorative Practice Circles which empower students of color to find their voice, gain a sense of belonging, and provide necessary opportunities for marginalized students to establish caring peer connections that foster inclusiveness.	Deschutes	10,000.00
Boys & Girls Club of the Rogue Valley	The Club: Teen Training Programs - The Path to Great Futures (Talent)	Designed to help middle school youth successfully transition into middle school, high school and beyond, TheClub: Teen Center provides a safe and positive place during out-of-school times for youth in grades 6-12. During the pandemic, we lost momentum in our growing teen program at each of our sites across Southern Oregon. This fall, we are reviving our Teen program with a focus on socio-emotional wellness and academic success. Funds from Roundhouse Foundation will support free, yet quality programs for the youth in our Phoenix-Talent location.	Josephine / Jackson	20,000.00
Bridge Meadows	Building Community & Stability Through Intergenerational Relationships	At Bridge Meadows, we envision a world where every child has a family, every parent is given the resources the thrive, and every elder is cherished for their wisdom. We know that with stable housing and relationships, children live healthful and abundant lives. This grant will support our Redmond, Oregon community that provides affordable homes and mental health care for foster families and elders.	Deschutes	10,000.00
Cascade School of Music	Youth Music Education	Our nonprofit music school supports private and group music instruction to over 450 students of all ages. As a non-profit music school for all ages our mission is to enrich our community by providing exceptional music education and experiences for all Central Oregonians, making music Fun, Engaging, Safe & Social.	Deschutes	7,500.00
Central Oregon Council on Aging	Latinx Nutrition Program and Bilingual Case Manager	We will create a Bilingual Case Manager position that focuses on services for our tri-county senior Latinx population. They will build, along with our clients and key partners, a culturally-appropriate nutrition services and information and referral network responsible for building trust and rapport with the Spanish-speaking community through a culturally-appropriate nutrition, respite care and home safety program that provides this under-represented senior population with consistent, trusted care.	Central Oregon	25,000.00
Chess for Success	CFS Classic and CFS Learning and Wellness Rural Programming Project	Chess for Success seeks to provide programs in 5 rural counties consisting of 7 cities and 15 schools in order to serve 450 students. This will consist of both our CFS Classic programming in 11 schools and CFS Learning and Wellness programming in 4 schools.	Statewide	50,000.00
Children's Institute	Centering Rural Voices to Inform Early Literacy Statewide Strategies	Children's Institute (CI) aims to elevate parent concerns and wisdom to address early literacy and inform statewide literacy strategy and policy. Based on 10 years of work at our Yoncalla Early Works site in Douglas County, we propose an asset-based community listening strategy in Lincoln County working in partnership with Seashore Family Literacy. The bilingual approach will center the needs of and remain accountable to, historically underserved families, including Indigenous families and immigrants from Mexico and Central America.	Lincoln	30,000.00

City of Lowell	Building a New Collection for the Maggie Osgood Library in Lowell OR	Established in 2011 and named after its longtime volunteer library director, the Maggie Osgood Library is operated by the City of Lowell in rural Lane County. When a 2019 winter storm caused the roof to fail, this library was forced to close. With the goal of reopening our public library in late 2022, we are rebuilding both the library facility and our outdated and inadequate collection. Roundhouse Foundation funds will be used to help purchase a dynamic collection of print, e-books and media for use by community members of all ages.	Lane	20,000.00
City of Toledo	Expanding ART Toledo	This project builds on ART Toledo's success in 2021 in engaging diverse stakeholders in the revitalization of downtown Toledo. In year two of this initiative, ART Toledo will create public murals, increase marketing efforts, and launching a chalk art event for increased community engagement.	Lincoln	5,000.00
Community Connection of Northeast Oregon, Inc.	Produce to Eastern Oregon People – Mobile Food Pantry	Produce to Eastern Oregon People supports people in highly rural communities with produce drops. This project began in 2021 by using a rented U-haul to deliver produce which quickly became expensive. We have received a grant from Oregon Health Authority that will pay for 83% of the cost of a refrigerated box truck. We also have a grant of Oregon Hunger Relief funds that supports 56% of the cost of the driver.	Union	30,000.00
Creswell Clubhouse	Rural Youth After School and Summer Camp Program Support	Creswell Clubhouse is seeking support to maintain and grow our current program, increase the number of participants, and increase staffing levels in order to serve the children and families in Creswell with a high-quality program regardless of ability to pay. Funding provided by The Roundhouse Foundation will be used to support a wide variety of enrichment clubs, provide group and individual tutoring and homework help by University of Oregon students, and provide additional funds for our scholarship program.	Lane	24,000.00
Dufur School District #29	Baker Technical Institute summer school program for Dufur, Maupin, Celilo and Warm Springs high schoolers	Dufur School, through the Ranger TECH program, is bringing in BTI (Baker Technical Institute) June 13th-July 8th, 2022 as an opportunity for High School students to get certifications in the following areas: first-aid/CPR, forklift operator, ODOT flagger, and heavy equipment operator, along with an introductory course to CDL in Oregon. Dufur School is also offering this opportunity to Maupin School (SWC) high school students as well.	Wasco	25,000.00
Eastern Oregon Regional Theater	Eastern Oregon Regional Theater Artistic Director Support	Eastern Oregon Regional Theater (EORT) has operated solely with volunteers since its founding in 2003. One of our founders, an EORT graduate with a degree in theater joined with High School Theater Arts teacher to found EORT, sharing its development. With departure of co-founder 5 years ago, artistic director shoulders all the artistic responsibilities, choosing the season plays and training and mentoring of all volunteers in directing, acting, set and costume design. EORT wants to financially support this crucial position to build excellence.	Baker	20,000.00
Ecotrust / Black Oregon Land Trust	Building a Black Agriculture Ecosystem in Oregon: BOLT's Farmer Pathway Program	In collaboration with partners across Oregon's food system networks, we are building a pipeline program to support aspiring Black farmers in Oregon in gaining culturally-relevant agricultural skills, gaining access to agricultural jobs, and having access to land to tend and farm. Funds from Roundhouse will support us in training our pilot program of farmer apprentices, as well as building our capacity to raise capital for land acquisition as a trust, which will be the home base of our organization's farmer training and community programming.	Multnomah	10,000.00

Elkton Community Education Center	Job Training for Rural Youth in Elkton	ECEC's Youth Employment Program (YEP) provides job training and paid employment for rural high school students, including those with learning disabilities. The students give tours, grow a one-acre produce garden and run a seasonal cafe, gaining highly transferable skills in customer service, agriculture and tourism that are in demand in rural areas. Grant funding will be used to increase the number of students served, to expand a new yard crew supporting older homeowners, and to provide DEI training for our board and staff.	Douglas	25,000.00
Ethos, Inc.	Music Education Rural Outreach Program	Ethos places AmeriCorps Members to live in rural communities for 11 months, become part of the community, and develop / facilitate music education programs for schools without other access. Due to the remote locations, housing is essential but increasingly difficult to acquire. Costs have increased to the point of being prohibitive for many potential members.	Statewide	50,000.00
Families First of Grant County Inc	Grant County Early Childhood Development Center	Over the next year, we will work towards increasing early childhood education and childcare opportunities in our Frontier County. Roundhouse funds will be used for FTE of a Childcare Coordinator to move this project forward. The Coordinator will be housed at Families First Parent Resource Center who will serve as the Fiscal Agent. The Grant County Early Childhood Development Taskforce includes parents, community partners, and businesses that have been involved since the inception and will guide the work of the person hired.	Grant	20,000.00
FoodCorps	Food Education and Access through Community Partnership	FoodCorps will recruit, train, and place six AmeriCorps members in Klamath County and Umatilla where they will provide hands-on food education grounded in a whole-child approach to 2,000+ students. Members will add capacity to support sustained progress toward goals identified by each site, in alignment with FoodCorps' competencies. In collaboration, and by invitation of local partners and community members, members will help deepen community engagement in food education programming, school and community gardens, and school meal programs.	Klamath / Umatilla	25,000.00
Friends of the Children Central Oregon	Friends of the Children Central Oregon Summer Enrichment Camp Series	Friends of the Children Central Oregon will host a 4-week summer camp series that will engage 53 program youth and their siblings (up to 150 youth in total) in enrichment activities in 3 curriculums: STEM, Arts, and Environmental Education. We will engage community partners in the creation and execution of high-quality programming. Our camps are a critical component to providing intentional 1:1 support throughout the summer for youth at the highest risk of the learning slide that often occurs during long school breaks.	Central Oregon	15,000.00
Friends of the Metolius	Suttle Lake Community Kitchen Restoration Project	The Suttle Lake Community Kitchen Restoration Project is an effort by the Deschutes National Forest and the Friends of the Metolius to restore the historic Community Kitchen at Suttle Lake and in doing so revitalize the spirit of conservation and community that was established through its construction in 1936 by the Civilian Conservation Corps. The Community Kitchen shelter is in serious disrepair creating barriers to access and intended use. Without the proposed Project restoration, the Community Kitchen will certainly be lost.	Jefferson	17,000.00
Friends of Trees	Natural Area Restoration and Volunteer Engagement through Tree Planting in Rural Communities	Throughout western Oregon our Green Space Program helps restore 40+ acres of natural areas in a typical season, planting more than 30,000 trees & native shrubs with thousands of volunteers and a variety of partners. This proposal would support our programming that serves rural Oregon with six volunteer restoration events that engage about 300 volunteers who donate 600+ hours to plant more than 4,500	Multnomah	2,500.00

		native trees and shrubs in addition to "rescuing" 475 native trees during at least one Salmonberry Rails to Trails restoration event in Banks.		
Girls Build	Girls Build Southern Oregon Camps	Girls Build inspires curiosity and confidence in girls through the world of building. To accomplish this, Girls Build will offer summer building camps to 80 girls (8 - 15 years old) in Josephine and Jackson counties in June of 2022. At camp, girls will learn the basics of the building trades: Carpentry, electrical, plumbing, sheet metal, finish carpentry, and more. Girls Build will hold two one-week camps, teaching 20 workshops over the course of each week. Girls will be taught by expert tradeswomen who excel in working with children.	Jackson / Josephine	50,000.00
Glide Revitalization	Daycare/Preschool Supplies/Equipment	A year of disaster case management for wildfire survivors has made painfully clear to Glide Revitalization staff that local working parents, especially those with economic hardship, need childcare and preschool to set up their families for long-term success. This grant will supply and equip daycare and preschool rooms.	Douglas	35,000.00
Harney County Senior and Community Services Center	Senior Meals 2022	This grant will support our senior meal program for the 23-23 fiscal year. The cost of food and employee costs continue to rise and our State of Oregon funding has been stagnant since 1973.	Harney	20,000.00
Heart of Grant County	Heart of Grant County Survivor Activity Program	Heart of Grant County is a community-based 501(c)3 non-profit organization offering confidential advocacy and emergency services to victims of domestic violence and abuse. As part of the healing process for mental well-being, this project will offer a variety of activities for survivors to engage and improve their mental and physical well-being. Community partners are encouraged to refer participants from their programs.	Grant	15,000.00
Heart of Oregon Corps	Job Skills Training, Education and Leadership Opportunities General Support	We are a Central Oregon non-profit engaging local opportunity youth, ages 16-24. Every year, we provide job skills training, education, and leadership development to over 300 local young people who face major barriers to success. We are empowering a generation of young people to believe in themselves and achieve self-sufficiency.	Central Oregon	20,000.00
Heartwood ReSources	Job Training and Education on Environmental Stewardship	Heartwood ReSources is a nonprofit deconstruction and salvage company and retail store. Our 15,660 sq. ft. warehouse is open to construction businesses and the public. We fulfill environmental stewardship and economic development strategy designed to reduce the impact on the county's landfill. We provide low-cost building supplies to residents of Oregon, helping to keep home rehab and energy costs affordable for low and moderate-income people, as well as a resource for professional builders, contractors, home improvement, and craft enthusiasts.	Douglas	20,000.00
HEAT Oregon	Rural Energy Assistance Program Expansion	This grant will provide energy assistance to households experiencing financial crisis in rural communities. The grant will help prevent power shutoffs among low-income households, improving recipients' quality of life and averting conditions that lead to homelessness, chronic illness, and food insecurity. While utility hardship affects Oregonians statewide, the crisis is felt most fiercely by those living in rural areas. A grant of this size would provide meaningful assistance to Oregonians in need.	Eastern OR	30,000.00

Helpers	Traditional Canoe Carving	To the Yurok people, much like most tribes who constructed them, the canoe was a great work of art, a member of the family, and a much relied upon aspect of life. The canoe was so important to life that it was considered to be its own being. It was constructed with a heart and was very important to tribal life. This grant will be used to purchase a redwood log, the cost of transporting it, cost of tools needed to extract it, tools to carve it, tools for carving, and the cost of having an elder share his knowledge.	Crook	5,000.00
Hike it Baby	Bring it Outside Program	Hike it Baby will expand Bring it Outside: a series of engaging workshops, events, and resources that motivate families to get outside year-round. This grant will be used to hire facilitators for programming within each community, and purchase gear and materials directly related to programming in rural Oregon.	Coos / Curry	15,000.00
HIV Alliance	Improving Access to Health Education for Youth in Douglas County	HIV Alliance is proposing to host a Youth Health Education Summit and provide sexual health education services and outreach in Douglas County in order to reach youth that might otherwise not have access to sexual and other health information and resources. We recognize that LGBTQ+ youth, BIPOC youth, and youth living in rural areas experience health disparities and are seeking information about their health and ways to advocate for their education. The goal of this project is to help meet that need.	Douglas	3,000.00
Hospice of Redmond	Camp Sunrise 2022	Camp Sunrise is a camp for children age 7-14 in Central Oregon who have experienced the recent death of a loved one. The camp is open to 40 children each year who reside in Deschutes, Jefferson and Crook Counties and is free of charge.	Deschutes	5,000.00
Illinois Valley Family Coalition	New Roof for Illinois Valley Family Coalition	The original roof of the Illinois Valley Family Resource Center started leaking this last winter. Upon inspection it was found that the entire roof needed to be replaced. The building was built 26 years ago with grant funding. We had four different companies look at the roof and they all said it needed to be replaced.	Josephine	12,500.00
Illinois Valley Soil & Water Conservation District	Collective Mobilization for Fire and Fish - Illinois Valley Environmental Resiliency Project	This proposal will provide crucial professional media consultant services and marketing materials to be used in engaging and mobilizing family forest owners in the watershed as an integral part of an overarching stakeholder engagement project. Deliverables will be developed messages that catalyze and compel family forest owners to take stewardship and restoration actions to restore their lands, ultimately resulting in restoration of watershed health on a landscape scale in the Illinois River Salmon Stronghold located in SW Josephine County.	Josephine	10,000.00
Institute for Applied Ecology	Rural connections to the Sagebrush Sea: helping local eyes see an often-overlooked ecosystem	This proposal will foster rural connections to the Sagebrush Sea through ecological and horticultural education provided while raising 11,000 sagebrush plugs for habitat restoration. Two populations of residents will grow plugs, including Warner Creek Correctional Facility adults in custody and Lakeview High School horticulture students. Students will outplant sagebrush and drones will capture before and after footage. In this way, all participants will be able to see the impact of their work to the wider ecological system to which they belong.	Benton	20,000.00

J Bar J Youth Services	J Bar J Youth Services (JBYYS) - Vocational Education Program (VOC)	This proposal is submitted on behalf of JBYYS, a 501 © (3) nonprofit corporation founded in 1967 and contracted with Oregon Youth Authority to work with juvenile offenders. The on-site Vocational Education Program (VOC) provides career exploration and skills development services that will lead to sustainable living work opportunities for students. The program offers historically marginalized young men (13-21) from throughout the State of Oregon, with opportunities they would not otherwise have.	Deschutes	25,000.00
Joseph Branch Trail Consortium	Joseph Branch Trail Trailhead/Pocket Park in Wallowa, Oregon	The Joseph Branch Trail Consortium, the nonprofit developing a 63-mile recreational Trail-With-Rail between Elgin and Joseph in NE Oregon, will manage construction a 1-mile ADA-compliant trail segment as well as a trailhead/pocket park on land owned by the Nez Perce Wallowa Homeland Project in the City of Wallowa. The facility, featuring ADA-compliant picnic tables/benches, an eBike/EV charging station, interpretive signs, a covered gazebo, and more, is adjacent to the RR tracks and downtown and will be the access point for the trail segment.	Wallowa	5,000.00
Juniper Arts Council	Painted Sky Center for the Arts - Programming for Equitable Access	Juniper Arts Council (JAC) aims to provide equal access to the arts in Grant County via its project Painted Sky Center for the Arts (PSCA). The Roundhouse Foundation funds will be used for programming support and supplies for PSCA's Equitable Access Programming project, which includes personnel costs for a part-time Program Coordinator to help register students, set-up and take down classes, order supplies, and communicate with teachers. Funds would also be used to provide lunches and snacks for after-school and Friday youth art programs.	Grant	20,000.00
Juniper Arts Council	Arts and Community Programming in Spray	Juniper Arts Council has contracted with the Spray General Store to host several events, with high enthusiasm and appreciation of local residents and international students who reside in this very remote town. Spray used to be a place to gather with people coming from many surrounding towns. Today, Spray struggles to find ways to hold events other than the yearly rodeo. As can be seen by the high attendance, our musical and art events have struck a chord in the hearts of the town and beyond. This grant will enable us to expand our programming in Spray.	Wheeler	2,500.00
Kids Intervention and Diagnostic Service Center	Empowering Communities to Keep Kids Safe	KIDS Center's 2022 priority is to provide comprehensive child abuse evaluations, advocacy, and therapy to 400 children and their families, 86% of whom live below the poverty line. Funds will help increase our medical examination capacity to provide services at no cost and without barriers to all children in need. Medical staff will educate rural agencies and community partners working with children on recognizing forms of child abuse, interviewing youth in the field, and making an appropriate referral when child abuse is suspected.	Deschutes	20,000.00
Molalla HOPE, Inc.	Loads of Dignity	This project will enable MWC to fill some gaps by providing free shower and laundry facilities, and hot meals twice a week, year-round to homeless guests. The grant will fund the full construction needed to complete a shower facility and laundry room, and additional space for a clothes closet and storage of hygiene supplies. We have a Memorandum of Understanding with the City of Molalla and approved by the City Council to use a city building. A 10-year lease for \$1/year is in review and a meeting is planned the week of April 4 to finalize.	Clackamas	16,000.00

Mountain View High School	Musical Instrument Repair	Mountain View High School has 90 Band instruments to loan to students who do not own instruments. 62 of these instruments are in need of repair before a student has access to them. In addition, the only drums we have are from a local company who uses our space to practice and have given us permission for students to use their drums. This grant will help fund the repair of these instruments and in purchasing drums for our Cougar Band students.	Deschutes	5,000.00
Multicultural Association of Southern Oregon	Indigenous Culture Camp 2022	Multicultural Association of Southern Oregon is seeking funding of \$10,000.00 for the Indigenous Culture Camp. It is an immersion into Native American culture for native youth who have completed either grades 5th, 6th, 7th or 8th. These 5-day overnight experiences are held at Lake of the Woods, Oregon. The curriculum is based on Native American teachings and values. Elders provide hands-on education through storytelling and traditional activities with emphasis on community and our relationship with the natural world.	Jackson	10,000.00
North Coast Land Conservancy	Sense of Place & Connection: People, Land & Sustainability on the North Coast	North Coast Land Conservancy (NCLC) functions as a leader in conservation work throughout the rural North Coast of Oregon, protecting ecosystems, watersheds and culturally important lands. We are seeking support targeted at reintroducing and strengthening public engagement & education programs through a lens of diversity and inclusion. These programs will provide a sense of place, connecting people across cultures, generations and lived experiences while stewarding land and caring for the ocean that sustains us.	Clatsop	25,000.00
Oregon Agriculture in the Classroom	STEM and Agriculture Boxes	This project will allow kindergarten through fifth grade students and their teachers to explore the world of agriculture and connections in science, technology, engineering and math (STEM). Each month during the 2022-2023 school year, Oregon Agriculture in the Classroom (Oregon AITC) will provide 50 Oregon classrooms with an agricultural themed children's book and a corresponding STEM standards-aligned lesson plan with all supplies.	Statewide	2,500.00
Oregon Arts Watch	Oregon Cultural Hubs	Cultural centers fill a vital role in communities, often serving multiple functions as performance halls, art galleries, historical repositories, gathering places, and educational resources. In rural areas, they can be the only cultural touchstone for miles around. A series of stories will profile a variety of these essential hubs, with priority given to centers serving rural areas, and examine how they uniquely serve and reflect their communities.	Statewide	5,000.00
Oregon Black Pioneers	OBP Virtual History Research Program	This funding will support the planning, development, and operations of a new virtual program series on Oregon's Black history. Talented researchers and students will be recruited to investigate the bigger stories behind existing materials from the Oregon Black Pioneers archive, then share their findings with the public in a virtual program.	Statewide	10,000.00
Oregon Coast Community Action	CASA of Coos and Curry Counties	CASA serves abused and neglected children in state care by recruiting, training, and supervising volunteers to advocate for their best interests in court. Our CASAs are the only adults whose sole priority is the well-being of the child in care. They ensure that children in care receive the supports they need while in state care and are placed in loving, safe, and permanent homes. Our proposal to the Roundhouse Foundation is for funds for volunteer recognition and support and staff support in their recruitment and advocacy work.	Coos/Curry	20,000.00

OSU Foundation	Juntos Afuera – Access to the Outdoors for Latinx Youth	Juntos Afuera (Together Outside) is an 8-week outdoor summer camp for Latino youth based in Tillamook County. The goals are: 1) to learn about and celebrate Latino culture, 2) develop leadership skills, 3) grow an active group of Latino explorers and stewards, and 4) explore career opportunities in natural resources.	Tillamook	15,000.00
Pioneer Relief Nursery Inc	Pioneer Relief Nursery Preschool Expansion	Pioneer Relief Nursery is in the process of beginning an expansion project that will include the creation of two new classroom spaces. This expansion will enable our organization to increase services for at-risk children, ages three to five, in our community. This project is driven by the results of a community needs assessment that revealed a significant gap in services for preschool-aged children. This project will include the purchase of the materials, furniture, and supplies that are necessary to create safe and inclusive classrooms.	Umatilla	30,000.00
Polly Plumb Productions	Sustaining a vibrant local community news operation in Lincoln County	This grant will support a sustainable local online news operation in the "news desert" of south Lincoln County by helping fund hiring a full-time reporter to work with YachatsNews founder Quinton Smith, who launched the site as a public service project in 2019. Met with enthusiastic readership during the coronavirus pandemic, the free service expanded its coverage to much of Lincoln County and rural Oregon in 2020 and 2021, the ocean and forest environments and partnered with other Oregon news organizations. It now averages 100,000 page views a month.	Lincoln	5,000.00
Remake Talent	Firebrand Resiliency Collective: Recovering in Community	Since 2020 Firebrand Resiliency Collective has worked to alleviate the crisis following the Alameda Fire. 2022 begins a new chapter in long-term recovery, healing from trauma, and rebuilding efforts for those fire-impacted communities. The work takes inclusive and sustainable leadership to engage the community in planning efforts, address systemic needs, and keep survivors informed. FRC will expand the work of its two major programs—the Alameda Fire Zone Captains and The Loss & Recovery Project—to meet these community needs.	Jackson	10,000.00
Restore Oregon	Forging a New Path: Addressing Rural Oregon's Preservation Needs by Listening and Broadening Access	Restore Oregon (RO) aims to be the statewide leader in "inclusive preservation," a term we coined to describe using preservation to tell Oregon's full story, from multiple regions and perspectives, while breaking down negative perceptions and removing barriers to access. By investing time and resources in understanding the needs of Oregon's rural communities, we can reframe what preservation means in rural Oregon and make a greater impact by creating and implementing innovative new tools and processes that can help solve rural challenges.	Statewide	40,000.00
Rimrock Trails Treatment Services	Rimrock Trails Scholarship Support Fund	In Central Oregon, many individuals utilize the Oregon Health Plan, however, those with private insurance or who self-pay often cannot afford the accompanying deductible or paid out-of-pocket fee. This grant will help Rimrock Trails grow our Scholarship Support Fund to ensure that individuals with high deductibles or with limited or no insurance covering the full cost of treatment, can access uncompromised evidence-based behavioral treatment services, no matter their financial circumstances.	Crook	10,000.00
Rogue Farm Corps	Changing Hands: Addressing Barriers to Entering and Succeeding in Agriculture	This grant will support for RFC's Changing Hands Program, which addresses the many interrelated barriers farmers and ranchers face in building a business and accessing land and capital. Through conferences, workshops, technical assistance and mentorship, Changing Hands provides the resources and support that beginning farmers and ranchers need to build successful and sustainable careers in agriculture.	Statewide	10,000.00

		The program also convenes farmers across generations to facilitate an intentional, equitable intergenerational transfer of Oregon's farmland.		
Ronald McDonald House Charities of Oregon and SW Washington	The Family Table	"The Family Table" provides a focused and enhanced priority for Ronald McDonald House Charities to provide food support for the families who stay with us, an additional priority to our historical focus on lodging. Many of the families who stay with us come from rural and frontier communities and face food insecurity in the best of times, let alone when they are far from home for days, weeks, months at a time with the added financial burden of significant medical bills due to their child's medical issues and treatment costs.	Deschutes	20,000.00
Saving Grace: Imagine Life Without Violence	Survivor Navigation	Due to unexpected federal budget cuts we are short on funding to maintain all the navigators in our program. This support is to continue to offer this service to survivors and their children. The role of a navigator in the lives of survivors is critical to the health and wellness of individuals escaping violence as they support a survivors journey to safety and self-sufficiency.	Central Oregon	50,000.00
Siletz Bay Music Festival	2022 Siletz Bay Music Festival	This grant will support a significant piece of the final orchestral performance, a collaboration of music created by a member of the Siletz Tribe, our Artistic Director, and the festival orchestra, as well as part of our educational program which is designed to bring area students to experience the music and orchestral dynamic, to interact with our musicians, and to take our musicians into the classrooms with the students.	Lincoln	16,000.00
Siuslaw Outreach Services Inc.	Agency Tech & Furniture Update Project	This project's purpose is to update extremely dated technology and furniture throughout the agency to better meet client and staff needs. Updating tech and furniture around the office is closely related to our DV/SA and crisis assistance programs and will ensure our capacity to operate and provide our services with continued growth.	Lane	20,000.00
Siuslaw Watershed Council	Siuslaw Watershed Council Truck and Trailer for Habitat Restoration and Community Engagement	The Siuslaw Watershed Council (SWC) is requesting partial support from the Roundhouse Foundation for the acquisition of a truck and trailer to enhance our environmental stewardship and community engagement activities. The SWC is a non-profit organization dedicated to the restoration, protection and stewardship of the Siuslaw watershed. Our primary goals for truck and trailer acquisition include increased capacity, community accessibility, and efficiency of our native habitat restoration and environmental education programs.	Lane	33,000.00
South Wasco Alliance	South Wasco Economic and Workforce Development	Roundhouse Foundation funds will help deliver and expand economic, food system, and workforce development programs, while also creating a sense of community connection and place through local arts and cross-cultural education. We estimate this will serve 700-900 low-income and underserved youth, families, makers, craftspeople, storytellers, small farmers, and other emergent small businesses in South Wasco and Northern Warm Springs.	Wasco	10,000.00
Southern Oregon University Foundation	SOU Youth Programs: All My Relations	As part of Southern Oregon University's Pre-College Youth Programs, All My Relations develops academic success and higher education readiness for Native youth through mentoring, support, and academic planning. Bi-weekly virtual Longhouse nights are developed and facilitated by Native American staff. Through a whole-family approach, these Longhouse nights combine family workshops on	Jackson	15,000.00

		Indigenous cultural activities with academic support for students. Activities and discussions feature Native artists, entrepreneurs, and culture bearers.		
Sunset Empire Park & Recreation District Foundation	Sunset Empire Park and Recreation District Childcare Expansion	The Sunset Empire Park and Recreation District (SEPRD) currently serves families in Clatsop County by providing preschool and after school care for working families. We would like to expand care to include infants and toddlers. Clatsop County is rural, with little infrastructure and is considered a childcare desert because of few resources. Expanding services would benefit families in our community. To accomplish this, we need assistance with funding for staff and equipment.	Clatsop	30,000.00
Tananawit	Marketing & Artist Recruitment	Tananáwit opened a temporary storefront with Warm Springs Community Action Team (WSCAT) in October 2020 and is currently in the process of separating from WSCAT and moving the store to a new location. This grant will support a grand opening event to market the store, including advertising, staffing and supplies for the event. It will also support staffing during the first year the store is open, so we can recruit more artists and market the store on a larger scale. This will enable us to support more artists in Warm Springs.	Jefferson	10,000.00
The Artback	Que Tus Sueños Te Lleven a la Vida Que Te Haga Feliz Mural 2022	The Artback will paint a 360 sq ft mural on the north wall of Dollar General in downtown Estacada July 18-31, 2022 which will reflect the lives and cultures of our Latinx population. The Que Tus Sueños Te Lleven a la Vida Que te Haga Feliz Mural (Let your Dreams Guide you to a Happy Life) is an opportunity for our Latinx community to have control over their own narrative and set a foundation to eradicate the inequality of negative stereotypes in this community. The Harbor, Inc.	School Districts/Educational Organizations LGBTQI+ DV/SA Prevention Services Program Expansion	The Harbor has made significant inroads with middle and high school students throughout Clatsop County to increase knowledge, change attitudes and improve skills to reduce Sexual Assault and Teen Dating Violence. This includes working with students to improve communication skills, practice consent and to increase awareness of laws and survivor services that directly impact students' mental health. This proposal seeks to fund another youth and prevention educator to respond to school districts' additional anticipated needs.	Clatsop	25,000.00
The Hearth	The Hearth Program Outreach and Development	We are seeking support to increase community-building capacities in rural Oregon communities through 1. Collaboratively producing a series of local community storytelling presentations and workshops as part of The Hearth's Grassroots Story Tour. 2. Increased outreach and program accessibility for rural BIPOC leaders.	Jackson	5,000.00
The Understory Initiative / Vesper Meadow Education Program	Cultural Landscape Revival: Launching Phase 2 of the Indigenous Gardens Network at Vesper Meadow	We are a founding partner of the Indigenous Gardens Network (IGN, est. 2020) with goals of reconnecting Native people with ancestral land through partnership, restoration, and cultural revival. In phase 1, the IGN has successfully centered leadership by the Confederated Tribes of Siletz and Grand Ronde by establishing partnerships, a preliminary governance structure, and pilot project outlines. With Tribal leadership VM is poised to move forward with restoration and research projects, and uplift a network of supporting partners in the process.	Jackson	42,500.00

Together For Children	Rebuilding Together For Children	Together For Children has been in Central Oregon since 1988. It was originally started by the state of Oregon as a pilot project of parent education to assure that children were ready to learn when they entered kindergarten and to prevent child abuse. It became a nonprofit when legislative dollars were dropped in 2003. COVID made it impossible to meet in person with families or fundraise and the program took a hiatus from offering weekly parent/child playgroups and parent education. The grant will reestablish the program in Deschutes County.	Deschutes	5,000.00
United Community Partners	Pine Valley Firewise Community Fire Fuels Reduction Project	Pine Valley Firewise Community (PVFC) was awarded a \$62,979 grant from Oregon Senate Bill 762 for fuels reduction projects in our Wildlands Urban Interface. We will hire NW Youth Corps to help 30 landowners create protection by clearing vegetation from around their structures, and removing vegetation from their driveways for emergency vehicle access. We are requesting funds for a Project Coordinator, and additional crew needs not covered by the state grant.	Baker	10,000.00
Westwind Stewardship Group	Technical High School Partnership Expansion at Camp Westwind	Westwind is seeking funding to support an expansion of the partnership program with Sabin-Schellenberg Professional Technical Center in Portland, OR and Career Tech High School in Lincoln City, OR; the goal is to provide hands-on learning experiences to high school students attending non-traditional schools who are interested in trade careers.	Lincoln	25,000.00
Wildlife Center of the North Coast	Wildlife Rehabilitation & Education - Operating Support	The Wildlife Center of the North Coast's mission is to promote compassion, empathy, and respect for all life through wildlife rehabilitation, wildlife conservation, and ecological teachings.	Clatsop	2,500.00
Women's Civic Improvement League (dba KPOV)	Critical Conversations – Interview Series & Archive	For 17 years, KPOV has facilitated critical conversations with members of vulnerable communities, advocates, justice leaders, elected officials, and more. For this project, we will identify, organize, and put all these important interviews and conversations into a new podcast on our website to educate and enlighten the community on critical issues. We will also intentionally and systematically seek out new critical conversations and radio town halls to host and broadcast live on KPOV.	Deschutes	15,000.00
Yamhill Enrichment Society	YES Program Expansion in Underserved Parts of Yamhill County	Over the next year, YES's leadership has a goal of adding an additional music program serving a K-5 school in Newberg, along with increasing the number of young children across Yamhill County receiving age-appropriate books in their homes from 2,600 to 2,800 by actively extending the reach of our literacy programming to under-served, Latinx families in our county.	Yamhill	15,000.00
