2024 Spring Open Call Grants

The Roundhouse Foundation would like to share the programs and projects we have partnered with through our Spring Open Call for Proposals cycle. We are grateful for the applicants and partners and appreciate the opportunity to share in this work. The Roundhouse Foundation focuses in and across four areas that are fundamental to thriving rural communities – Arts & Culture, Environmental Stewardship, Social Services and Education. We recognize the interconnections of these focus areas and value opportunities that work at their intersections. Some details of the grants listed are subject to change. This list is current as of June 21, 2024.
